

## Treble Clef Notes

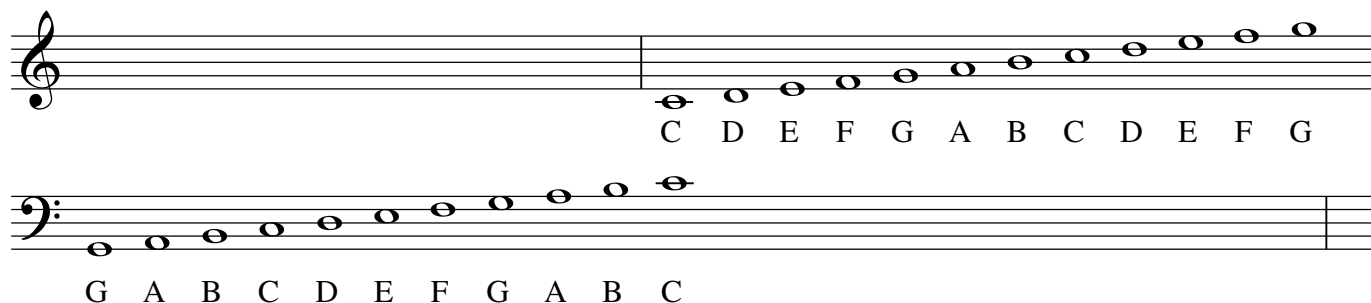

Here are treble clef notes from low to high. Some people remember the notes on the lines (EGBDF) as Every Good Boy Does Fine and the notes in the spaces (FACE) as the word face.

## Bass Clef Notes

Here are bass clef notes from low to high. Some people remember the notes on the lines (GBDFA) as Good Boys Do Fine Always and the spaces (ACEG) as All Cows Eat Grass.

## Grand Staff

A Grand Staff shows how the two clefs fit together. Bass clef notes are lower. Once we get to C, we usually use treble clef for higher notes.
